

Strip-o-clean

Alkalische vloerreiniger/stripper
Nettoyant/décapant alcalin pour sol
Alkaline floor cleaner/stripper
Alkalischer Bodenreiniger/Wachsentferner mit Tiefenwirkung
Limpiasuelos/decapante

Technical data sheet

Application

Strip-o-clean is an ecological pH-neutral stripper for professional use. This product can be applied manually or with a machine. It is formulated for removing floor emulsions, oils, fats, and all types of stubborn dirt and grime from alkali-resistant floors. Treat the floor afterwards with Techno Gloss floor emulsion if desired.

Environmental Benefit: All Techno Green cleaning products are free from chlorine compounds, other halogen compounds, inorganic acids, and petroleum-based detergents. All detergents used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully degradable according to the OECD 301 F test. Low impact on aquatic life according to OECD 202.

Instructions for use

Manual cleaning

Add 200 ml (7 pump strokes) to 8 L of water. Clean the floor with a string mop or flat mop. In case of stubborn dirt, allow the solution to work in for 1 to 5 minutes.

Machine cleaning

Prepare a 1–2% solution in the water tank. Scrub the floor with the machine. In case of stubborn dirt, allow the solution to work in for 5 minutes before scrubbing and drying.

Stripping

Spread a 10% to 20% solution over the floor and let it work in for 5 minutes. Scrub the floor with a machine, and then remove the dirt using a mop, squeegee, or wet/dry vacuum. Rinse twice with water and allow to dry.

Technical data

Appearance	liquid
Colour	green
Odeur	pine oil
Viscosity	<50 mPa.s at 25 °C
Relative density 20°C	1,02 kg/l
PH value (concentrated product)	> 13
Flash point	26 °C
Solubility in water 20°C	complete

Safety

R10 : Flammable. R34 : Causes burns. R37 : Irritating to respiratory system. S3 : Keep in a cool place. S16 : Keep away from sources of ignition - No smoking. S26 : In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. S36/37/39 : Wear suitable protective clothing, gloves and eye/face protection. S45 : In case of accident or if you feel unwell, seek medical advice immediately (show the label when possible).

Packaging

4 x 5L cans per case.
