

Truck Wash

Hogedruk spray voor rollend materiaal
Mousse haute pression pour véhicules industriels
High pressure spray for industrial trucks
Hochdruck-Spray für Nutzfahrzeuge
Spray de alta presión para vehículos industriales

Technical data sheet

Application

Truck Wash is an ecological truck shampoo for professional use. Truck Wash is recommended for washing trucks using a high-pressure spray cleaner. This product has excellent cleaning power and is suitable for quick removal of heavy soiling.

Environmental benefit: All Techno Green cleaning products are free from chlorine compounds, other halogen compounds, and petroleum-based detergents. All detergents used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully degradable according to the OECD 301 F test. Low impact on aquatic life according to OECD 202.

Instructions for use

Prepare a 1% to 5% solution in the water tank of the high-pressure spray cleaner. Allow the solution to work in for 1 to 5 minutes, and then rinse with water. Never allow the solution to dry on the vehicle.

Technical data

Appearance	liquid
Colour	yellow
Odeur	no perfume
Viscosity	<50mPa.s at 25°C
Relative density 20°C	1,030 kg/l
PH value (concentrated product)	12,5
Flash point	>100°C
Solubility in water 20°C	completely

Safety

R36 : Irritating to eyes.
S26 : In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
S39 : Wear eye/face protection.

Packaging

4x5L bottles per case.
20L can.
