Nettoyant acide pour installations sanitaires (usage journalier)  
Acid cleaner for sanitary installations (daily use)  
Saurer Sanitärreiniger (tägliche Reinigung)  
Limpiador ácido para sanitarios (uso diario)

## Technical data sheet

### Application

Techno San is a concentrated, ecological sanitary fixture cleaner for professional use. This product is intended for daily cleaning of washbasins, showers, bathtubs, toilets, floors, wall tiles, etc. Techno San quickly and completely removes all grease, soap and limescale residues from acid-resistant materials. Do not use Techno San on materials that contain lime, such as marble, bluestone, etc.

**Environmental Benefit:** All Techno Green cleaning products are free from chlorine compounds, other halogen compounds, inorganic acids, and petroleum-based detergents. All detergents used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully biodegradable. Low impact on aquatic life according to OECD 202.

### Instructions for use

Prepare a 0.5% solution by adding 20 ml (1 capful) of Techno San to a bucket containing 4–5 L of water, or 40 ml (2 capfuls) to 8–10 L of water. Clean the surface with a sponge or cloth. Rinsing is not necessary. The concentration can be increased in case of heavy soiling. For spray cleaning, add 1 capful to a spray bottle containing 500 ml of water.

### Technical data

|                                 |               |
|---------------------------------|---------------|
| Appearance                      | liquid        |
| Colour                          | red-rose      |
| Odeur                           | citrus fruits |
| Viscosity                       | 105.6 cP      |
| Relative density 20°C           | 1,029 kg/l    |
| PH value (concentrated product) | 4             |
