

DB Stop

Ontstopper voor afvoerbuizen
Déboucheur pour canalisations
Drain unblocker
Abflussreiniger
Desatascador para tuberías

Technical data sheet

Application

DB Stop is an ecological drain cleaner for professional use. DB Stop dissolves blockages formed by paper, soap, grease, hair, calcium soap and other organic materials. This product does not affect drainpipes.

Environmental Benefit: All Techno Green cleaning products are free from chlorine compounds, other halogen compounds, and petroleum-based detergents. All detergents used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully degradable according to the OECD 301 F test. Low impact on aquatic life according to OECD 202.

Instructions for use

Pour the undiluted product into the drain. Allow to work in for 24 hours, and then flush with water.
