Detergente en polvo

## Technical data sheet

### Application

Techno Wash is an ecological laundry powder for professional use. Techno Wash is formulated for washing white and colourfast laundry made from cotton or synthetic fabrics. Techno Wash removes all grease, protein and starch stains. Techno Wash contains ingredients to prevent the formation of limescale deposits and oxygen-based bleaching agents to yield superior cleaning results. Techno Wash is lightly perfumed. This product is suitable for use in domestic and semi-industrial machines.

**Environmental Benefit:** All Techno Green laundry products are free from chlorine compounds, other halogen compounds, phosphates and poorly degradable phosphate substitutes, and petroleum-based detergents. All detergents used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully biodegradable. Low impact on aquatic life according to OECD 202. Techno Green laundry product have good skin compatibility.

### Instructions for use

Keep in a dry place, and seal the bag or bucket after use.

Dosering - Dosage - Dosierung - Dosis (ml/kg )
