

Techno Powder

Vaatwaspoeder
Poudre de lavage
Dishwasher powder
Geschirrspülmittel
Polvo para lavaplatos

Technical data sheet

Application

Techno Powder is an ecological dishwasher powder for professional use. This product is suitable for use in household and semi-industrial machines. This mildly alkaline product contains fully biodegradable water softeners to prevent formation of limescale deposits. It is free of corrosive substances, so glassware and hotel chinaware are not damaged. Techno Powder does not affect water lines, rubber or stainless steel.

Environmental Benefit: All Techno Green dishwashing products are free from chlorine compounds, other halogen compounds, and petroleum-based detergents. All detergents used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully biodegradable. Low impact on aquatic organisms according to OECD 202.

Instructions for use

Semi-industrial machines

Add Techno Powder directly to the heated washwater, and then start the wash cycle immediately to prevent formation of deposits on the bottom of the machine.

- normally soiled dishes: 100 g (3 capfuls) per 10 L of washwater

- heavily soiled dishes: 200 g (6 capfuls) per 10 L of washwater

Replenish the dose after a maximum of 10 dishwasher loads. For best results, wash with softened water.

Refill the rinse aid reservoir regularly with Techno Rinse. Use Techno Calc regularly to remove limescale deposits from the machine and the sealing gaskets.

Domestic machines

Fill the dispensing compartment for the main wash cycle. Refill the rinse aid reservoir regularly with Techno Rinse. Check the level of the Techno Salt regeneration salt.

1 scoop = 35 g.

Keep in a dry place, and always close the lid after use.

Technical data

Appearance	powder
Colour	white/yellow
Odeur	characteristic
Relative density 20°C	0,96 kg/l
PH value (concentrated product)	11
Flash point	>100 °C
Solubility in water 20°C	good

Safety

R34 : Causes burns.

S26 : In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

Logistical Data

Product: Techno Powder
Content: 10 kg

Gross weight: 10.541 kg
Net weight: 10 kg
Dimensions (l x d x h): 295 x 295 x 235 mm
EAN code product: 5412533121001
Article number: 432010002

Pallet: Europallet
12 products/layer, 4 layers/pallet,
48 products/pallet
